COWORKING & COBABY IN ROME

PHILOSOPHY AND ADVANTAGES OF COBABY

METHODOLOGY

we adopt the Scandinavian model which allows children to focus on their feelings and not just on the results they get

we have dedicated rooms where you can meet other parents, relax or complete the last tasks of the day

PARENT FRIENDLY

NEW SKILLS

creativity, empathy, teamwork, autonomy... allow your kids to strengthen their potential while having fun

we are in the neighborhood, close to your office, home and daily life helping you to better manage your agenda

NEAR YOU

CHILD ORIENTED

we can rely on a team of professional educators and on always new activities to entertain and stimulate children
